

OBJECTIVE

Award-winning designer looking to master my craft as an expert in motion and animation.

WORK EXPERIENCE

VIRTUE Worldwide Motion Designer *February 2018 – Present*
Content designer for a wide variety of big name clients.
(Formerly Carrot Creative/ A VICE Company)

Carrot Creative Designer *June 2014 – February 2018*
Content designer for a wide variety of big name clients.
I specialize in motion work and animation. I also teach tips and tricks for those hoping to learn Adobe After Effects.

GradFly UI/UX Designer *September 2013 – May 2014*
Lead UI and UX designer for Gradfly, an aspiring new company hoping to bring STEM students together via social media.

B-Reel Design Intern *May 2013 – August 2013*
As an intern I worked on several big name projects as a web designer, motion designer and 3D designer.

RIT Mindgamers 3D Artist *December 2013 – May 2013*
3D Modeler for a therapeutic video game. I create character model assets and clothing assets using 3D software while collaborating with game developers.

RIT Store World Co-op *January 2012 – August 2012*
Lead Avatar Designer for a Facebook retail game. I did animation and character illustration while collaborating with game developers to create assets for the game.
